film festival

Shutter 2 Think presents
our final programme of the season:

Winnipeg D.I.Y.* (*do it yourself)

Presented by visiting Winnipeg filmmaker,
Mike Maryniuk.

This program features a complete disregard for the conventions of traditional cinema and contains some of the most ENTERTAINING, EYE OPENING and IMAGINATIVE cinema on the Planet! You will witness films processed in bathtubs, created exclusively with a photocopier, letterset, the rants of a cab driver, homemade talk shows and an obsession with Winnipeg's inevitable brick buildings.

Come see for yourself and be inspired!
